by Chad Joseph, Esq.

DEPOSITION OF CONSTANCE J. COSKY

ORIGINAL

1 C. Cosky - by Mr. Thalenberg

2 why the nurses came to the meetings; is that
3 right?

4 A. No, I don't know why, I mean,
5 specifically they came, no.

6 Q. Did you ever talk to the nurses
7 about the statuses of any of the loans that you
8 were working on?

9 A. Not to my recollection.

10 Q. Did you ever talk to the doctors,
11 Dr. Farfel or Dr. Davoli about the statuses of
12 any of the loans you were working on?

13 A. Dr. Farfel.

14 Q. Okay. And what types of things
15 would you tell Dr. Farfel?

16 A. He was more primarily interested in
17 the dollar amount that I had spent thus far.

18 Q. In total or on each house?

19 A. In total.

20 Q. Okay. For the TLC study or on all
21 studies?

22 A. I didn't have anything to do with
23 any other studies.

24 Q. So on the TLC study he was concerned
25 with the total amount being spent on loans for

1 C. Cosky - by Mr. Thalenberg

2 houses?

3 A. Yes.

4 Q. Did he tell you why?

5 A. We had access to a pot of money and
6 wanted to know how much we had left to spend.

7 Q. Do you know how much the total pot
8 was?

9 A. I don't recall.

10 Q. Okay. And who was holding this pot
11 of money?

12 A. To my knowledge and to my
13 understanding, I believed it was the city.

14 Q. The city. Do you remember who at
15 the city you would deal with?

16 A. The only thing I know is when my
17 loan package was ready, had all my documents,
18 it went to Charlotte Pinning for like
19 underwriting.

20 Q. She's in housing community
21 development? Does that sound familiar?

22 A. Yes.

23 Q. Okay. How would you know how much
24 money was left in the total pot or how much you
25 were spending?
